Sisters of Mercy

A tribute gift to the Sisters of Mercy allows you not only to provide special honor or remembrance to someone but also to support a very worthy cause. For over 140 years, the Sisters of Mercy of the Regional Community of Omaha have served those in need - - the sick, the uneducated, those experiencing poverty, and those in spiritual need. Today, they continue their mission of prayer and service in traditional and contemporary ways and settings. Your tribute gift will support the Sisters of Mercy, their mission, and their ministries.

The Sisters of Mercy of the Americas are an international community of Roman Catholic women vowed to serve people who suffer from poverty, sickness and lack of education, with a special concern for women and children. In innovative and traditional ways, we address human needs through collaborative efforts in education, health care, housing, immigration, protecting the environment, and pastoral and social service.
